ETHICS MASTERCLASS
“The truth is rarely pure and Never simple” (Oscar Wilde)

WHO SHOULD ATTEND?
The masterclasses will appeal to all healthcare professionals, AHP’s and carers working with people towards the end of their lives.

ADDITIONAL INFORMATION
From a suite of 4 masterclasses. An opportunity to attend all 4 or, as standalone masterclasses, which will explore relevant ethical issues in palliative care. Each session will offer a brief introduction/revision on moral theory and relate this to the topic in question.

COURSE CONTENT
- An exploration of what is meant by the truth/truthfulness in a medical and ethical context
