ETHICS MASTERCLASS
Media and Morphine

WHO SHOULD ATTEND?
The masterclasses will appeal to all healthcare professionals, AHP’s and carers working with people towards the end of their lives.

ADDITIONAL INFORMATION
From a suite of 4 masterclasses. An opportunity to attend all 4 or, as standalone masterclasses, which will explore relevant ethical issues in palliative care. Each session will offer a brief introduction/revision on moral theory and relate this to the topic in question.

COURSE CONTENT
- How is the use of palliative care drugs portrayed in the media?
- What do you understand by the Rule (Doctrine) of Double effect? Does it matter?
- What is meant by proportionate prescribing?
