

CALLING ALL GARDENING ENTHUSIASTS!

WHO ARE WE?

The Hospice of St Francis is a charity providing free specialist palliative care to people living with life-limiting illnesses across West Herts and South Bucks.

Based in Berkhamsted, the Hospice has served the local community for over 46 years and last year we cared for around 2,000 people.

We need to raise over £6million each year to fund our free care and with only 17% of our funding coming from the NHS, we rely on the generosity of the local community.

HOW CAN YOU HELP?

We would love to partner with your horticultural society, allotment association or gardening group.

Whether it's through simple and enjoyable fundraising activities or volunteering in our beautiful gardens, there are plenty of ways you can make a meaningful difference.

Fundraise for us

- Host an Open Garden event and invite visitors to donate to the Hospice.
- Host a plant sale and raise funds while sharing your favourite plants.
- Take part in a sponsored vegetable growing competition, from the biggest pumpkin to the heaviest potato.
- Support our work by fundraising for us at your summer or autumn horticultural show.
- Get creative and take part in or host a community scarecrow competition.
- Visit us for a guided tour and discover our gardens, projects, and impact.
